Please attend the appropriate focus group from the table above. If you are unable to attend in person, there are virtual options on Thursday and Friday you may attend, as well as a community wide virtual event on Feb. 26th.

These questions will be asked at each focus group:
1. What are the strengths of PSD that the next superintendent can build upon?
2. What are the challenges facing the district that the next superintendent should be aware of, or you would like to see addressed?
3. What characteristics or traits are you looking for in your new superintendent?
4. Is there anything else you would like to share regarding the Prescott School District?
5. Is there anyone you can recommend as a good fit for the superintendent position? If so, please share his/her name and contact information.

Watch for HYA's survey Feb. 10-22 to provide feedback on the desired characteristics and skills you would like to see in the next superintendent.
