Fall Highlights

## Homecoming

By: Dr. Rick Spicuzza, Superintendent

As we settle into fall, we celebrate traditions and immerse ourselves into routines and academic schedules. Arguably, the first day of school, followed by homecoming week is one of the most time-honored traditions that build pride, unity, and a sense of togetherness. And it is a week that sets the pace for the many homecomings that follow as friends and families begin to prepare holiday traditions throughout the rest of the year.

During the homecoming celebration week in Prescott, the #cardinalpride was highly visible - from spirit gear; to festivities; to the Friday night 's game. All week, we came together as a school and a community to shine our proud Prescott values and vision. And win or lose, homecoming brings us together in one unified cheer for the Cardinal team.

Substantial engagement with various stakeholder groups to articulate our District's shared values, vision and mission have been woven throughout the work of our school board all summer and will continue into the fall. With input from staff, students, parents, and community members, the board is poised to share that hard work that will unite us all behind common goals. Like a game cheer at homecoming, the shared messages in our strategic planning will guide our decisions and actions in the years ahead with aligned purpose. You will see more on the outcome of this amazing work in the months ahead.

In addition to the strategic development work, the school board has diligently taken on the important task of policy -governance development. This effort will formalize many of the activities of the district for clarity and accountability in how we approach our work. Along with that goal, all of the policies will be aligned with legal references and best practices to assure the district is compliant and current in our daily business. Recently the school board approved the first set of policies regarding school board governance. Throughout this school year, the rest of the policies will be prepared and brought forward for board consideration each month.

Developing a good, solid team is hard work and requires a strong dose of endurance, effort, and flexibility. Our athletic teams spend countless hours practicing plays, building camaraderie, and adjusting for the competition building up to homecoming. In that same vein, the district continues to work hard building a team of skilled employees and providing the tools needed to help them be successful in their roles. In this newsletter, you will see images of new staff and new programming that has been added to our district portfolio.

As we kick off this new year, we are forever grateful for the parents and community who support our work and cheer our students to succeed. Your input, engagement, and encouragement are essential to sustaining a strong school district and community. Whether you attend student events, help in classrooms, or simply cheer from a distance, our students thrive through our partnership with you. So, Happy Homecoming and enjoy the remainder of our beautiful fall season!

Principal Fiege @Prescott\_HS - Oct 1  
A lot of Cardinal Pride tonight. Powderpuff kicked off—sophomores bested juniors and seniors dominated freshmen. Some great BBQ, a bonfire, and King of homecoming Carson Stenroos and Queen Mackenzie Cogan. #cardinalpride

## FALL HIGHLIGHTS

### New Team Members Join Prescott School District

Prescott Schools enthusiastically welcomed many new staff members this fall, including new principals at Malone Elementary and Malone Intermediate schools. Along with the certified teaching staff pictured, many caring professionals joined our team in other important positions including teaching assistants, bus drivers, custodians, coaches, and cooks.

The combined efforts of our staff and volunteers makes this a great place for students to grow and succeed. Be sure to give a big Prescott welcome to all of our new employees.

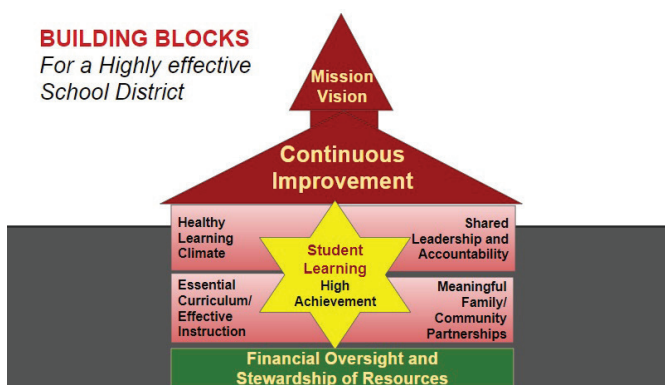

**Prescott School District New Certified Staff (Pictured left to right):**

**Mike Thomley**, STEM teacher, Middle School; **Jacqueline Glomski**, 5th Grade Special Education Teacher, Intermediate School; **James Roesler**, ID Special Education Teacher, Middle School; **Erica Bohmke**, 8th Grade Math Teacher, Middle School; **Sara Dusek**, Principal Malone Elementary; **Angie Schaffer**, 7th grade English Language Arts Teacher, Middle School; **Liz Hauser**, 7th grade Math Teacher, Middle School; **Maddie Wagner**, 6th Grade English Language Arts Teacher, Middle School; **Helen Stoeckel**, EBD Special Education Teacher, Intermediate School; **Sarah Philpot**, 6th Grade Physical Science Teacher, Middle School; **Abbey Helmer**, 3rd Grade Teacher, Malone Elementary; **Aria DeWuske**, 8th Grade Social Studies Teacher, Middle School; **Leah Aeilts**, 5th Grade Teacher, Intermediate School; **Brianna Hepfler**, Band Director, Middle School; **Donita Stepan**, Principal Malone Intermediate School; **Andrea McNutt**, 1st Grade Teacher, Malone Elementary; **Sami Martell**, Business Teacher, High School; **Rachel Anderson**, 1st Grade Teacher, Malone Elementary; **Lindsey Neu**, Special Education Teacher, High School; **Bella Zimmer**, Math Teacher, High School; **Mel Charette**, School Nurse, Malone Elementary; **Alyssa Hagen**, 2nd Grade Teacher, Malone Elementary

## Annual Meeting Highlights

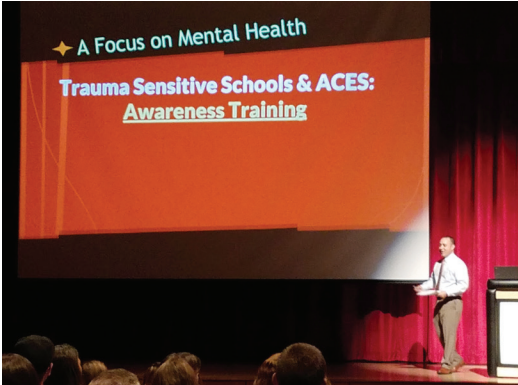

Prescott School District held its annual meeting on Wednesday, September 12, 2018. Highlights of the meeting include:

- State of the District report by Dr. Rick Spicuzza, Superintendent:
  - o Energy Efficiency projects that were completed over the summer will realize an annual estimated energy savings of \$44,000 and estimated rebates this year of over \$54,000.
  - o Academic performance results were presented. For more details, visit the website at <https://www.prescott.k12.wi.us/page/2859>.
  - o Progress on the district strategic planning was reviewed. More information on this work will be presented mid-year, including mission, vision, values, and strategic directions.
  - o Financial considerations were presented.
- The budget hearing was held for the 2018-19 school year. Final numbers will be adjusted in October when state funding is finalized. The proposed budget is \$15,713,033.
- The tax levy was adopted. The estimated levy is \$8,546,956, with an average mill rate of 11.08 (which is a reduction from the prior 2 years of 12.63 and 12.25). Budget and levy details can be requested from the district office.
- Board member salaries and expenses will remain unchanged.
- Attendees voted to allow the school board to set a date for the 2019 annual meeting at a later time.

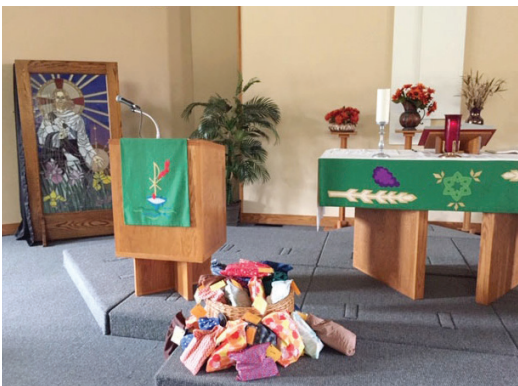

## GRANTS AND AWARDS

Staff Training on Mental Health Issues.

Celebrating support from First National Bank and Prescott Foundation.

Joy Lutheran prepared and dedicated Feel Good hygiene kits supported by Ann Marie Foundation grant.

Prescott School District received several grants recently to fund important projects for our students. Over the summer, we applied for substantial grants from the Wisconsin Department of Justice (DOJ) to support safety initiatives and from the Wisconsin Department of Public Instruction (DPI) to support mental health measures.

These grants, totaling over \$225,000 allowed the district to improve security at all four buildings. The safety improvements included physical upgrades, such as locks and surveillance monitoring, as well as staff training. All staff will have A.L.I.C.E. training (Alert, Lockdown, Inform, Counter, Evacuate) which involves instruction and drills for preparedness in the event of an aggressive intruder. Staff and students will participate in drills related to school safety, similar to how we practice action in the event of a tornado or fire.

In addition to these safety measures, the district is able to dedicate grant resources to improve mental health supports. Some of these supports include a one-year, part-time School Mental Health Navigator position who will help connect families with mental health supports in the community for their specific needs. The district is also able to increase our contract with Family Means to provide tools for staff to implement in their classrooms. The grants will support staff training in trauma informed teaching, student screening for risk factors, and educational programming on mental health topics such as depression and suicide awareness.

Along with these large grants, we are grateful for the amazing local support of targeted projects within our district. We recently reported that First National Bank contributed \$50,000 and Prescott Foundation contributed \$35,000 to develop the youth sports fields on Dexter Street.

Prescott Foundation, along with American Foundation for Suicide Prevention also provided funding for a Suicide Awareness program for students and community members this fall. The Prescott Foundation also provided support for the Memory Café at the Gathering Place. A Health and Wellness Series was initiated to provide nutritional information to at-risk families all school year through a grant from St. Croix Valley Foundation.

Ann Marie Foundation provided funding for hygiene kits to provide basic care items to students who may not have access to these items. Joy Lutheran church members partnered in compiling these age and gender appropriate kits for students. Earlier in the summer, Ann Marie Foundation supported portable pitcher mounds for Prescott Community Recreation (PCR) and drum ball kits for use with our elementary students and at the Gathering Place. Ann Marie Foundation also provided partner support for the Community Conversation Series sponsored by Community Education and for the Tomahawk Circle Drum Group that will visit our community at the end of October. Prescott students also benefitted from a recent donation of backpacks and school supplies from Pierce County Sheriff Department.

These are important and valuable contributions that directly impact our students, families, staff, and community. For that generous support, we are very grateful.

## COMMUNITY NEWS AND EVENTS

Be sure to put these fun events on your calendar and support Prescott Students as they showcase their work!

### 2018 FALL EVENTS AT THE PRESCOTT PERFORMING ARTS CENTER, Prescott High School

Monday, October 29	6:00 pm 7:30 pm	6-8 Grade Fall Choir Concert 9-12 Grade Fall Choir Concert
Monday, November 12	8:00 am 8:30 am	Veterans Day Reception Veterans Day Program
Thursday, November 15	6:30 pm	Community Conversation Event: Reducing Mental Health Stigma
Monday, December 3	5:00 pm 6:00 pm 7:00 pm	Grade K Holiday Program Grade 1 Holiday Program Grade 2 Holiday Program
Thursday, December 6	5:00 pm 6:15 pm 7:30 pm	Grade 3 Holiday Program Grade 4 Holiday Program Grade 5 Holiday Program
Monday, December 10	7:00 pm	High School Band Concert

 Development (no school students)

**November 21-23:** Thanksgiving Break

**December 24 – January 1:**  
 Christmas Break

---

## COMMUNITY NEWS AND HAPPENINGS

### District Improvement Updates

If Prescott School District had a writing assignment to tell what we did over the summer, it would start with a very impressive checklist:

✓ **Complete energy efficiency projects in elementary and intermediate buildings.** This intensive project involved about 30% of the space in Malone Elementary and 100% of the space in Malone Intermediate. To accommodate the project, all summer school classes and the district office were moved to the high school on the last day of school so construction could commence immediately.

Malone Elementary was updated with dehumidification in classrooms located in the 1988 addition, and HVAC control upgrades. Consolidating equipment into a central unit netted elimination of 27 individual pieces of equipment and replaced 30-year-old ventilators that were beyond their normal life span. The air quality controls will reduce building damage from condensation and provide a more comfortable space for learning and working.

Malone Intermediate received a major overhaul of systems to right size equipment from use as a high school to use as an intermediate school. Equipment replacement included whole building dehumidification, domestic hot water upgrades to high efficiency, gas booster heater for the dishwasher, and duct board replacement. Lighting throughout the building was replaced with efficient LED fixtures inside and out. In addition, ceiling tiles damaged from prior condensation were replaced. Overall, 10 pieces of equipment were eliminated in this upgrade.

The entire project will provide an estimated annual energy savings of \$44,000 and an estimated annual operational savings of \$21,000, with a capital cost avoidance of \$230,000. Along with the ongoing savings, the school district is eligible for an energy efficiency rebate, which is estimated at \$54,000.

✓ **Convert to a new student information system.** The new Infinite Campus program will provide enhanced options for parent, students and staff to keep track of schedules, assignments, grades, and more. While the basic program pieces were rolled out over the summer, work continues to implement the mobile app and financial/payroll components of the program.

✓ **Implement school safety and mental health initiatives.** Thanks to generous grants, we were busy fulfilling the grant projects we were awarded – from safety measures to programming and staffing. These summer preparations created a baseline for ongoing student support, staff training, and community options to improve our safety responses throughout the year.

✓ **Prepare for a new year ahead.** Along with those big projects, staff continued the rolling work of staffing, financial audits, state reporting, information updates, orientation meetings, scheduling, and more for the 2018-19 school year. We also continued work on policy updates and strategic planning that will continue throughout this year. It was a whirlwind summer and we are grateful for the stamina and energy of our staff, and the support of parents and community as we worked through these important projects.

## MALONE ELEMENTARY NEWS

### Back to School Bash!

Malone students and families celebrated a new school year with the annual Back to School Bash on September 14. Thank you to the Malone Parent Committee for sponsoring the event and to all of the parents and staff volunteers.

### Hair-raising Homecoming Fun!

Malone Elementary Students and Staff enjoyed a "Wacky Hair Day" during Homecoming week.

### Football, Fall, and 4K

4K Students enjoyed a day on the field, September 24th during the "C"-team football game. At half time, the 4K students got to run on the field and toss around footballs.

### STEM Programming Implemented for Prescott K-5 Grade

Prescott School District is excited to announce a commitment to STEM programming for K-5 students. Mrs. Karey Sizemore accepted the opportunity to teach this program beginning with the 2018-19 school year. STEM stands for Science, Technology, Engineering, and Math. This programming will supplement existing courses and provide a more in-depth and hands-on approach to tackling STEM topics using technology and engineering for problem-solving. The K-5 program will provide foundational concepts to prepare students for the next level STEM as they enter Middle School. This is a unique program and we will continue to share information and updates throughout the year as the students learn and create projects.

A special thank you to everyone who donated supplies to launch the program this fall. The students are learning great things as they build, create, and solve. Watch for pictures in future newsletters!

If you have family changes, such as emergency contact updates, e-mail changes, phone number changes, etc., please be sure to contact your child's school as soon as possible. This helps us keep your child safe while providing the best possible communication between the school and your family.

### Cooper the Cardinal Visits Classrooms

There's a new bird in the halls and classrooms at Malone Intermediate School and his name is Cooper the Cardinal! Cooper watches for the class with the BEST classroom, playground and lunch behavior all week. Then Cooper surprises that classroom at the end of the week to tell them all the great things they did to win that special visit. And the class also gets a fun popcorn party! Cooper spends the whole next week in that classroom until it's time to visit a new group of students.

Cooper's goal is to promote and reward Cardinal Pride behavior everywhere in the school. There have been a lot of fun classroom celebrations when Cooper visits. You can see some of those moments on the school website: <https://www.prescott.k12.wi.us/page/2962>.

### Bike Assembly Brings Positive Message

Why is Rich Wieber gearing up to jump his bike over Mr. Johnson and Mr. Haglund? It was all part of good fun and an important message in September. As a stunt biker, Rich catches students' attention with unique entertainment while delivering powerful messages, like anti-bullying, perseverance, safety, character, goals, and more. He provided an assembly at Malone Intermediate on September 14 and was part of Back to School Bash in the evening.

### YMCA School Age Care at Malone Intermediate

Hastings YMCA is offering an onsite school age care option at Malone Intermediate. This is a new partnership in addition to off-site care options offered by Heart, Hands & Minds as well as New Adventures.

To find out more about these opportunities for school age care, please visit the district website at: <https://www.prescott.k12.wi.us/page/3354>

### Malone Parent Committee (MPC)

The Malone Parent Committee (MPC) is looking for new members for the 2018-19 school year. The committee meets monthly during the school year and consists of members from the community, parents, and school staff. The MPC is instrumental in organizing many family activities and events. It also provides several grants to staff members throughout the year. MPC volunteers make a difference and are vital to the success of the committee. Interested individuals should contact the MPC at [maloneparentcommittee@gmail.com](mailto:maloneparentcommittee@gmail.com). The website is [maloneparentcommittee.weebly.com](http://maloneparentcommittee.weebly.com).

Scholastic Book Fair - Student Preview will be October 18 and will be open during Parent Teacher Conferences in the Multi-purpose Room at the Intermediate School.

Visit Afton Apple's 15-acre corn maze on October 20 and 21! They will be donating \$3 of each paid adult corn maze admission to Malone Elementary and Intermediate Schools to support flexible seating for students.

Casino Night - Saturday, November 10, MPC will be hosting an adult's only Casino Night at The Old Ptacek's Event Center. The theme this year is the Wild, Wild West. Proceeds are being used to fund STEM activities/classes in the Prescott School District. This is a great opportunity to network with other parents in a more casual setting. Test your luck and try and win one of the many door prize giveaways!

**Parent-Teacher Conferences are Friday, October 19 from 10 am to 6 pm. There will be no school for students that day. (4K conferences are the day prior with no 4K classes held.)**

## MIDDLE SCHOOL NEWS

### Prescott Drama Students Wrote and Performed the Fall Play

*Tales of the Forgotten Forest* is an original play that spanned seasons, programs, and grade levels. It began as part of the three-week summer school writing course where students created a story line and characters and brainstormed stage and costuming needs. During the summer, students continued their work through Community Education programming where they revised the play and practiced parts leading up to a fall performance in the new school year. Participants included students from elementary through high school under the direction of Diana Champlin.

Summer School Writing Course

All participating students had a part in creating the character they portrayed. Primary playwrights were: Grace Dickey, Kyle Holtan, Kinsey Peterson, Erica Jennings, Carter Lubich, Georgia Nespbor, Kylie Nespbor, Oscar Deutsch, Maya Quiroz, Zach Middleton, and Trey Severson. The students worked very hard to include everyone's thoughts and wishes into the story. Along with learning to write a good story, the students learned to be inclusive and cooperative to make this successful for everyone.

In addition to the play, the students prepared an "art activity booth" at the Prescott Daze Children's Events. Prescott Arts Commitment Team (PACT) and parents of the students also had a concession stand at the play to raise funds to cover the cost of costuming and props.

Drama Students Perform Original Play

The story is a "fractured fairy tale" with a modern twist where four modern teenagers are mysteriously transported to the Forgotten Forest. There they meet some familiar fairy tale characters as well as some new and unusual ones. In true fairy tale fashion, the inhabitants of the forest teach the teens a valuable life lesson. The play was performed September 22 and 23 in the Performing Arts Center at the high school.

### STEM Programming at Middle School

Prescott Middle School boasts a new and exciting course for 2018-19 – STEM. STEM stands for Science, Technology, Engineering, and Math. This programming supplements existing courses and will build on new programming that was added at the elementary level, while preparing students for career readiness opportunities as they enter high school.

Mr. Michael Thomley was hired this fall to teach the STEM courses. Along with hand-on activities to learn and explore concepts, Mr. Thomley plans to introduce opportunities for students to learn how STEM learning translates to potential career options. Watch for more information and pictures soon as Prescott students explore science, technology, engineering and math through this new dedicated programming.

### Learning Good Digital Citizenship

During Cardinal Academy "Google Me" Class in August, 6th Grade leaders discussed ways to be Super Digital Citizens. They then created ways to share their ideas with their classmates this fall.

### To follow WI Middle Border Sports Schedules:

1. Go to [www.prescott.k12.wi.us](http://www.prescott.k12.wi.us)
2. Click on "activities"
3. Make a selection from the menu

### Parents Welcome

The Middle School Parent Group meets monthly and plans many great events to support Middle School students and staff. You can find out about current events and meetings on their Facebook Page: <https://www.facebook.com/PrescottMiddleSchoolParentGroup>

## HIGH SCHOOL HAPPENINGS

### Annual Veteran's Day Assembly

The social studies department at Prescott High School is once again hosting a Veteran's Day Assembly in the High School Gymnasium on Monday, November 12.

The event will begin at 8:00 am with refreshments and a gathering to meet and greet veterans in the commons. A program will follow at 8:30 am in the auditorium. If you know of a veteran or active service member who would like to be recognized at the assembly, please have them contact the Prescott High School office or Mandy Bernick: bernickm@prescott.k12.wi.us

The assembly is open to the public and everyone is encouraged to attend as Prescott High School observes this special day.

### Homecoming Highlights

Prescott Cardinals enjoyed a festive homecoming week. Homecoming King and Queen were Carson Stenroos and Mackenzie Cogan. Students celebrated with a variety of activities during the week.

The traditional parade inspired #cardinalpride:

### Hands on Learning at Prescott High School

Since the 2000-2001 school year, High School teacher, Jeff Ryan has provided students with an opportunity for hands on learning about First Nations culture at Lac du Flambeau. Each fall students are invited to submit a written essay for consideration. Approximately 30 students apply for the 8 positions. The experience involves an entire weekend of culture immersion, including learning about the natural resources, history, and traditions of the culture. Since 2000, nearly 160 students have benefitted from this unique programming.

### Prescott Spanish Students Recognized

On Friday, October 5, four Prescott students from the level 2 Spanish classes were recognized by a realtor from Edina Realty, Melissa Clawson. Melissa is a bilingual realtor in the area who listened to 46 students make a pitch for selling international homes in Spanish via video conference. She then recognized the four best pitches presented by: Mitch Schommer, Jessica Olson, Sophie Tibayan, and Mason Malm.

Pictured above are the students with the digital ads they created and used to pitch the houses for this project.

### Tomahawk Circle Drum Group Returns to Prescott

Tomahawk Circle is an award-winning drum and singing group from the Lac Du Flambeau Reservation in north central Wisconsin. Group leader William Mitchell and his fellow drummers have

traveled the country performing at Pow Wows and community events throughout the United States, including WI, MN, ND, SD, CA, MI, IL, AZ, MT, WY, WA, D.C., NB, and OK.

The group will showcase their talents at 10:00 AM Saturday, October 27th at Freedom Park. This event is free and open to the public. Immediately following the performance, attendees are invited for a light luncheon and to meet the performers as we extend Prescott hospitality to our special guests. Prescott High School Students will enjoy a special program on Friday, October 26 at the high school.

See the Facebook event post for details:  
<https://www.facebook.com/events/1692561117536143/>

### “Community Conversations” sponsored by Prescott Community Education

#### Thurs, Oct 25 Community Health Fair

4-6pm Prescott HS Lobby  
 Flu shots will be available. Medicare, Badgercare, or Health Partners will be accepted. Other insurances will be accepted, but will require payment at the time of the shot. Stop by and visit any number of booths pertaining to maintaining a healthy life.

#### Thurs, Nov 15 Reducing the Mental Health Stigma

6:30-8:30pm Prescott HS Performing Arts Center  
 Free - No pre-registration  
 In Our Own Voice is a unique public education program in which two trained speakers share compelling personal stories about living with a mental illness and achieving recovery. The second half of the evening will focus on Creating Caring Communities: Five Things You Can Do to learn about mental illnesses, the impact of negative attitudes and five things each of us can do to make our communities a better place for people who experience a mental illness.
