This fall I kicked off the school year with our Prescott School employees by sharing snippets of books I read over the summer. A book that helped frame our fall conversations is titled, The Energy Bus, by Jon Gordon, author of fifteen books, including five bestsellers. Gordon's principles have been put to the test by numerous Fortune 500 companies, professional and college sports teams, school districts, hospitals, and non-profits.

The Energy Bus premise, told in an easy to read fable, provides incredible insights about work and life on both professional and personal levels, spotlighting the importance of how we view and react to challenges. Our responses to challenge have a big impact on individuals and organizations, serving to either elevate our performance or distract us from our mission by miring us in a doom-cycle abyss. As Gordon states, "No one goes through life untested and the answer to these tests is positive energy. The kind of positive energy that consists of the vision, trust, optimism, enthusiasm, purpose, and spirit that defines great organizations and their shared dreams."

I am very proud of our staff, who are pulling together and getting on the bus eager to embrace the continuous improvement models that support Prescott Schools' strong tradition of excellence. Our School Board, Administration and Teacher Leaders are engaging fully as they learn to operate under a shared leadership model. With the help of TeamWorks International<sup>™</sup>, Prescott Schools, Community Education, and PCR -- staff are working hard to continually craft and refine positive experiences for the students, staff, families, and community members we serve.

This multi-year engagement, titled "From the Classroom to the Boardroom," is a journey to take stock of where we've been as a district and where we hope to go, articulating a 'North Star' to help prioritize our future investments in Academics, Arts, and Athletics. Our shared goal is to ensure we develop well-rounded, competitive graduates from Prescott Public Schools. The recent release of statewide academic test scores places Prescott in the top-ten among CESA-11 Schools. We should be proud of these accomplishments, but never complacent.

happy New Year.

#### **HIGH SCHOOL HAPPENINGS**

#### **Congratulations, Prescott Students**

Fall is always an exciting time of year as we welcome new students through the doors and prepare to send a graduating class into the world in a few short months. This year has started with some amazing student accomplishments with great paths ahead. Here are just a couple of the #cardinalpride accomplishments:

•Peter Brookshaw signed a letter of intent to play with North Dakota State. Earlier, Peter was the 5th player in Prescott Cardinals baseball history named 1st Team All State and the first Junior to make the team. Peter was chosen as the Division 2 Player of the year. **Zach Dolan** was named Honorable Mention All State. Peter Brookshaw and Luke Murphy were both named to the academic All State Team.

·Chloe Rohl and Hope Parmeter were nominated to sing at Carnegie Hall in New York City. Of 12,000 worldwide vocal and instrumental auditions, they are 2 of only 700 who achieved this honor.

•The Prescott High School Band will be participating in the Disney World band program. They will learn special performance techniques and participate in onsite performance.

If you would like to support the Carnegie Hall trip or the Band Disney trip, contact the high school for opportunities

#### **TRADING PLACES**

This fall, Prescott High School Parents had an opportunity to learn what a chemistry classroom is like for their students. Using high school curriculum in the actual classroom teachers shared a lesson with parents so they can experience a typical day in their student's life. Pictured below are parents doing hands-on coursework in Lori Pedretti's Chemistry class:

This program, called Parent University, has been offered in other high school classrooms, as well. We encourage parents to attend these opportunities as a way to connect with your student and teacher.

Prescott School District is one of 447 school districts in the U.S. and Canada being honored by the College Board with placement on the 8th Annual AP® District Honor Roll. Only 25

Wisconsin school districts and 7 Minnesota Districts were recognized for this achievement. To be included on the 8th Annual Honor Roll, Prescott School District had to, since 2015, increase the number of students participating in Advanced Placement classes while also increasing or maintaining the percentage of students earning AP Exam scores of 3 or higher. Reaching these goals shows that this district is successfully identifying motivated, academically prepared students who are ready for AP. The complete 8th Annual AP District Honor Roll can be found here: https://apcentral.collegeboard. org/score-reports-data/awards/honor-roll

#### **NURSES NOTES**

With the change of season come important reminders from our school nurses. As we gather with family and friends for indoor activities and celebrations, we are more susceptible to sharing viruses like the cold, flu, and even rashes like Hand, Foot, and Mouth disease.

To avoid catching or spreading these common illnesses, be sure to use good hygiene by washing hands frequently. Cover mouth and nose with a tissue or this inside of your elbow when sneezing. Keep surfaces clean and sanitized. Avoid touching eyes, face, and mouth.

#### **PRESCOTT DRAMA STUDENTS PERFORM A CLASSIC**

Prescott students worked hard to deliver an amazing performance of The Lion, The Witch, and the Wardrobe in the Performing Arts Center this fall. The entire cast is pictured on stage below:
