## Reflections for a New Year

By: Dr. Rick Spicuzza, Superintendent

**Happy New Year to the Prescott Community!** Traditionally, the arrival of a New Year signals us to simultaneously look backward in reflection and forward in preparation. It is a time to celebrate our successes, identify our challenges, and refine our course for the year ahead. As the senior class of 2019 counts down to a May 25th graduation, we will welcome Prescott's next batch of kindergarteners and the future graduating class of 2031 at registration on February 25. Where does the time go?

**A Time for Reflection.** Prescott, like many small districts, has labored under the constraints of strict state funding limits. These limited resources restricted the range and type of school-based programs and services we could offer our students. Moreover, financial constraints made it harder to recruit and retain high-quality staff.

**Rising to the Challenge.** Necessity is the mother of invention, and our financial needs spurred creative thinking. Here are four ways Prescott has improved its financial standing:

- Committed to a capital investment Fund 46 to address future big-ticket facility upgrades. We've been able to earmark \$300,000.00 for these future needs.
- Increased fund balance to address within-year cash flow and establish a contingency fund.
- Pursued grants for Mental Health and Safety programs to offset insufficient funding by the state to address these essential areas, bringing in more than \$225,000.
- For the first time in twenty years, loans were not needed to meet mid-year payroll obligations.

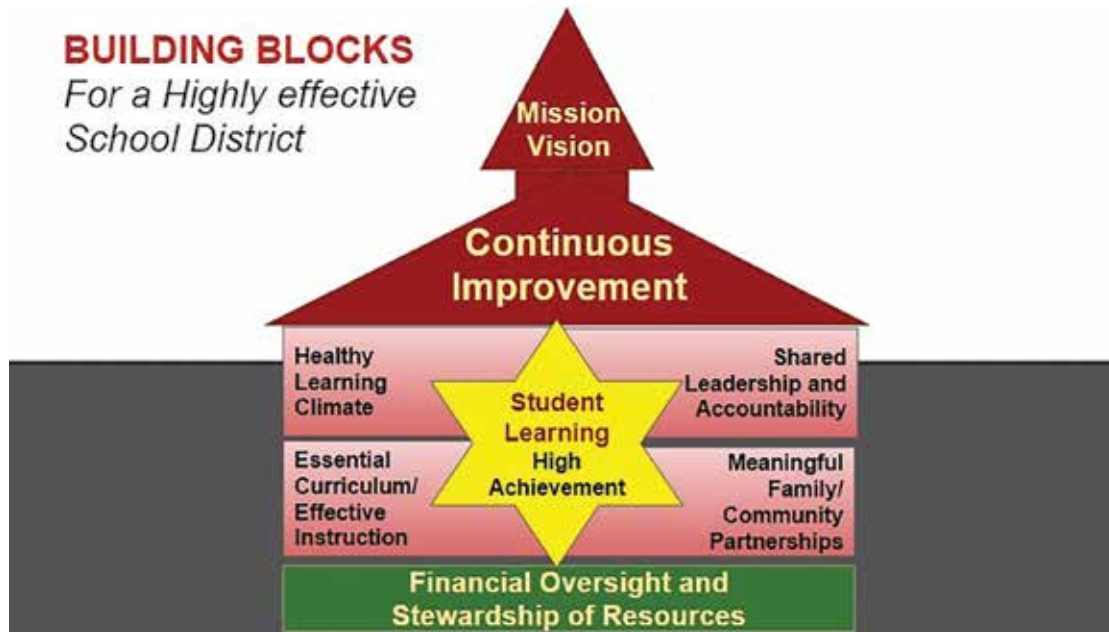

**Prescott's Future.** By securing financial breathing room, Prescott is able to invest its previously scarce dollars to better support student learning and innovative programs. With that in mind, here are a few enhancements in store for the Prescott Schools:

- Expanding the newly introduced STEM program.
- Anticipating future workforce trends to prepare a technologically competitive class of 2031 through newly designed course work.
- Investigating the addition of computer coding classes.
- Improving Prescott Community Recreation facilities and green spaces.

As you can see, many great things are happening for Prescott Schools. I encourage you to be part of the process and look forward to seeing you at our upcoming events.

# PRESCOTT SCHOOL DISTRICT 2018 ANNUAL REPORT

## 2018 Annual Meeting Highlights

Prescott School District held its annual meeting on Wednesday, September 12, 2018.

- State of the District report by Dr. Rick Spicuzza, Superintendent:
  - o Energy Efficiency projects realize Annual estimated energy savings of \$44,000 and estimated rebates this year of over \$54,000
  - o Academic performance results were presented. For more details, visit the website at <https://www.prescott.k12.wi.us/page/2859>
  - o Strategic planning progress was reported
  - o Financial considerations were presented
- Draft budget for 2018-19 school year was reviewed
- Tax levy was presented and approved
- Board member salaries and expense reimbursements will remain unchanged

Attendees voted to allow the school board to set a date for the 2019 annual meeting at a later time.

School Board Meeting Minutes and Agendas are located on the district website: [www.prescott.k12.wi.us](http://www.prescott.k12.wi.us)

---

## Current Prescott School Board Members:

Mike Matzek, President  
Steve Sizemore, Vice President  
Tanya Holub, Treasurer  
Josias Franco, Clerk  
Pat Block  
Cody Rohl, Student Representative

## ANNUAL REPORT BUDGET INFORMATION

A draft budget was presented at the Annual Meeting in September as part of the public hearing. The following information reflects the final budget approved at the October 31, 2018 School Board Meeting:

### Prescott School District Revenue/Expense Budget (Date: 10/2018)

	2016-17 ACTUAL	2017-18 ACTUAL	2018-19 BUDGET
Revenue	15,387,551.58	15,800,456.74	15,990,793.00

<b>COMMUNITY EDUCATION</b>	-3,152.37	-12,788.92	0

## COMMUNITY NEWS AND EVENTS

### Prescott Community Education continues the conversation...

Thanks to ongoing funding from grants, Prescott Community Education has added new topics for Community Conversations through the rest of this school year. Prior events included information on timely topics, such as gender identity, addiction, mental health, and suicide awareness. These events are free to attendees. Here is the schedule of upcoming events:

### **Tuesday, February 5, 6:30-8pm - The Opioid & Meth Crisis Prescott High School Performing Arts Center**

---

Hear a family's journey of loss and healing, as well as what the signs & symptoms to opioid use are, withdrawal symptoms, side effects and what causes dependency. Our Pierce County Drug Investigator will also be joining us to talk specifically about the meth epidemic Pierce County is facing. Finally, Ron Schmidt, with the Pierce County Human Services Department, will tell us how the opiate/meth epidemic is affecting families and children, and what services are available. There will be time for Q&A.

### **February 27, 6:30-7:45pm - Digital Citizenship/Identity Theft Prescott High School Performing Arts Center**

---

We will discuss what it means to be a good digital citizen, learn to be aware of your digital footprint, and how to protect yourself against identity theft. Quality resources will be shared for those talking with kids about this topic. Joan Simon & Erica Keezer, Prescott School District Media Specialists, as well as a representative from First National Bank will be our speakers. There will be time for Q&A.

### **March 21, 6:30-7:45pm - Celebration of Life: Organ, Bone Marrow & Blood Donations Prescott High School Performing Arts Center**

---

Learn how organ donations, blood donations and bone marrow or stem cell donation can save someone's life. A LifeSource ambassador will share a personal story related to organ, eye and tissue donation or transplantation, as well as basic facts and information about donation. The American Red Cross will speak to the critical shortage of blood donations, how donations are used and how you can help. Be The Match will have a digital presentation addressing the rapid changes in bone marrow donations and how many of these donations can now be done by extracting stem cells from your blood. We'll end the evening with a Celebration of Life reception to honor those in our community who are donor recipients, or donors, and those with a family member that has "Checked the Box" and saved others' lives. If you and or a family member fit one of these categories, please call the Prescott Community Education Office at 715-262-4676 or email Penny at ppeters2@prescott.k12.wi.us, so we can include your name at the reception.

### **Late April/May - Mental Health and the Transition to College (watch for details soon)**

---

For some, the stress of college may impact mental health, making it difficult to manage the daily demands of school. Research shows that one in five students experiences a mental health condition while in college, and 75% of all mental health conditions begin by age 24. This conversation will help students and families learn how to connect to resources while beginning the often independent journey into the post-secondary world.

### **May 8, 6:30-7:30pm - Refugees & Resettlement**

*(NOTE: this date/time may change for this session – watch for updates on the district website: [www.prescott.k12.wi.us](http://www.prescott.k12.wi.us))*

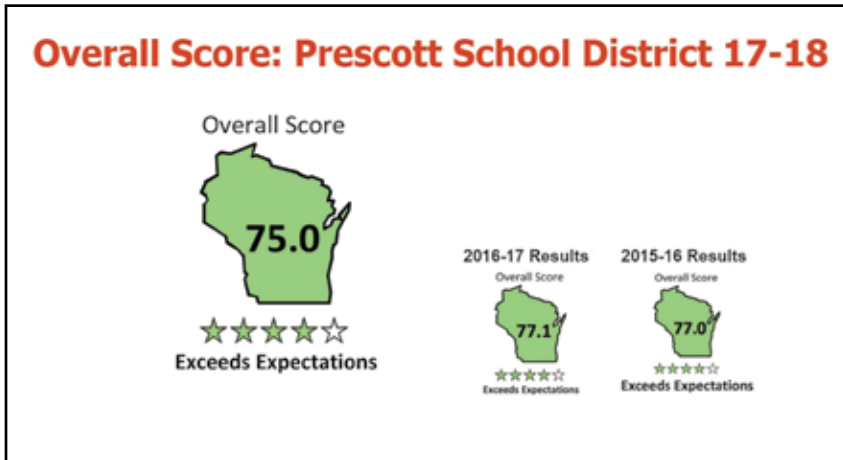

### **Prescott High School Performing Arts Center**

---

This discussion will help create a greater understanding of the needs of refugees fleeing from persecution and beginning new lives in the United States. Our speaker, Yusuf Abdi, is the Program Director of Refugee Services for Lutheran Social Service of MN and a graduate of North Dakota State University. Yusuf has been affiliated with Lutheran Social Services since 2000, when his family received assistance to resettle in Pelican Rapids. In addition to sharing his own story of life as a refugee and a Muslim, he will share a number of resources. There will be time for Q&A. In conjunction with this Community Conversation and our Day of Service event on Saturday, May 4, we will be collecting "essentials" and school supplies/backpacks for regional refugees. Call the Prescott Community Education Office at 715-262-4676 for more details on the Day of Service and/or collection.

## GRADES, GRANTS, AND GRATITUDE

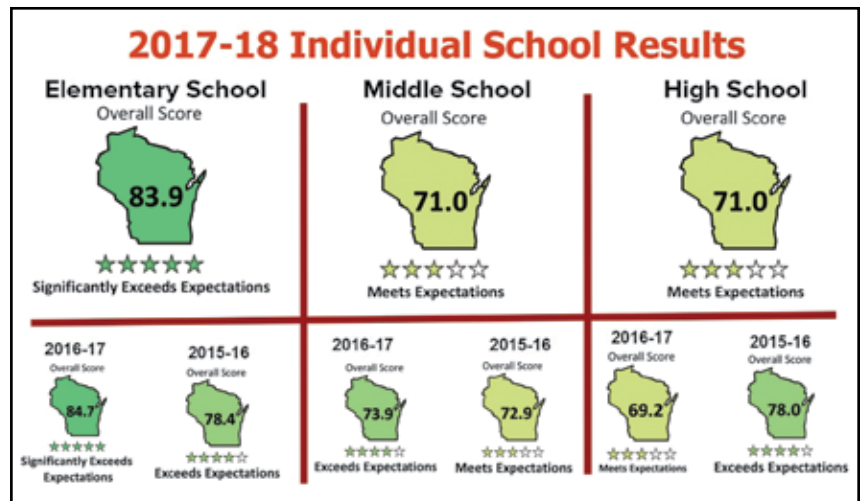

### Prescott Makes the Grade

Each year, school districts across the state and nation complete various assessments to measure effectiveness. Whether it is the Wisconsin Forward Exam, the ACT, FastBridge or other assessment, the results allow districts to evaluate important data that helps shape teaching methods, curriculum, interventions and other tools to increase teaching effectiveness and student learning. The depth of information can provide data comparisons to other districts, to compare results in a particular group of students over time and to compare results between classes of students from prior years.

When looking at the data to make comparisons, it's always important to consider not only the outcomes, but also any factors that might impact the data from year to year. Some of those factors might include whether the assessment tool itself was changed, if new benchmarks were identified or eliminated compared to prior years, and even if the timing of the test was different.

Michael Kosmalski, Director of Teaching & Learning recently did an in depth presentation to the school board about current test results. Overall, Prescott students continue to score well from year to year and in comparison with neighboring districts and the district continues to explore the data for ways to continually improve. You can find the performance reports, presentation materials, links to agencies, and more in the Teaching & Learning section of the school website: <https://www.prescott.k12.wi.us/page/2859>.

### Grants and Gratitude

Throughout the year, Prescott School District receives a number of grants to support various projects. We are so grateful to sponsors who recently provided the following support:

- Ann Marie Foundation for K-8 STEM supplies and for funding the second half of our community conversation series (see page 4 in this newsletter for upcoming topics).
- St. Croix Valley Foundation for a music grant to fund a digital piano in the recording studio at the high school; and for a health grant to provide nutrition education for families.
- The Wisconsin State Golf Association grant to Prescott Girls Golf.
- Ongoing support from individuals and businesses for a variety of student needs and activities

**Reading Rewards Goal Reached**

Malone Elementary Students achieved their goal of reading 100,000 collective minutes as a school (106,278 minutes to be exact)!

To celebrate, students and staff participated in pajama day on Friday, December 21st before winter break. Mr. and Mrs. Santa Claus even made a surprise visit to celebrate.

The next milestone is 200,000 minutes and the students are already well on their way to reaching that goal!

**Reminders from the Nurse**

As the cold and flu season progresses, please keep in mind the 24 Hour Rule. Any time your child:

- has a fever
- has been put on antibiotics for any infection
- has pinkeye
- has been vomiting
- or is just not getting better after being home sick

**School policy is:**

- Students need to be fever free and/ or illness free (haven't thrown up) for 24 hours or more before returning to school.
- Students need to stay home for 24 hours after the medications, eye drops, or antibiotics were started.

**WHY?** When students and staff stay home when they are sick it helps prevent the spread of illness to other students, staff and the community.

**REMEMBER:** Washing hands when soiled with lathering and good friction for a least 20 seconds and properly covering coughs and sneezes is the #1 way to prevent the spread of illness!

**MALONE ELEMENTARY MISSION**

Our mission at Malone Elementary is to nurture the whole child by providing a safe place for students to grow socially, emotionally, and academically.

**MALONE ELEMENTARY VISION**

We will prepare students to grow, learn, and reach their goals by building trusting relationships and by creating a developmentally appropriate environment in which they can take risks and flourish.

**4-Year-Old Kindergarten Registration for 2019-2020**

**Monday, February 4th, 2019  
6:00-7:00 P.M.**

**Malone Elementary Gym**

Parents of children who turn *four years old* on or before September 1, 2019 and are living within the Prescott School District boundaries will be receiving an informational letter about 4-Year-Old Kindergarten. This letter will be mailed during the week of January 14th, 2019.

**Kindergarten Registration for 2019-2020**

**Monday, February 25th, 2019  
6:00-7:00 P.M.**

**Malone Elementary Gym**

Parents of children who turn *five years old* on or before September 1, 2019 and are living within the Prescott School District boundaries will be receiving an informational letter about Kindergarten. This letter will be mailed during the week of February 4th, 2019.

If you have an eligible child and do not receive this information, please contact: **Connie Grabow Malone Elementary Office 715-262-5463**. If you know of a new family in the district who may not have received this correspondence, please direct them to the Malone Elementary office, as well.

If you have family changes, such as emergency contact updates, e-mail changes, phone number changes, etc., please be sure to contact your child's school as soon as possible. This helps us keep your child safe while providing the best possible communication between the school and your family.

## National Spelling Bee Oral Round

Students in 3rd - 8th grade that scored in the top ten for their grade were invited to take part in the Oral Round of the National Spelling Bee during the week of January 7th. The top students from the double elimination oral round from each school will compete for the title of "school champ" on February 13, 2019. Congratulations to these top students!

### Malone Participants

Back Row (L-R): Zachariah Ogren, Cole Powers, Lucas Gale, Brody Stutz, and Payge Haupt  
Front Row (L-R): Sophia Lazarenko, Reid Frappier, Zinoviya Fleming, and Ella Brantner

## School Age Care offered at Malone Intermediate

Hastings YMCA is offering an onsite school age care option at Malone Intermediate. This is a new partnership in addition to off-site care options offered by Heart, Hands & Minds as well as New Adventures.

To find out more about these opportunities for school age care, please visit the district website at: <https://www.prescott.k12.wi.us/page/3354>

In December, the school board agreed to extend the YMCA school age care contract beyond the provisional six months at the Intermediate School. In addition, the board approved YMCA programming during summer school and a local Summer Program to be offered in July and August. The YMCA will provide families with information on those program options.

## Thank You, Afton Apple Orchard!

Sarah Parkos, representing Afton Apple Orchard, presented Prescott School District with a donation at the December School Board Meeting. This donation was based on \$3 per each paid admission at their 15-acre corn maze October 20 and 21. With 1,007 attendees, the total of \$3,021 will be used for flexible seating for students.

### Malone Participants

L-R: Sarah Parkos; Malone Elementary Principal, Sara Dusek; Malone Intermediate Principal, Donita Stepan

## UPCOMING EVENTS AT MALONE:

- Friday Jan 25 – Professional Development;  
No School for students
- Tuesday Feb 19 – Family Read Together 6:30-7:30 pm  
Malone Intermediate Library/Cafeteria  
(Scholastic Book Fair will be open a half hour before and after.)
- Fri, Feb 22 – Malone Sock Hop 6:00 – 8:30 pm  
Malone Intermediate School  
(Scholastic Book Fair will be open)

### OTHER NOTES:

As winter continues, be sure students are properly dressed for cold weather conditions. – winter coats, hats, boots, snow pants, mittens or gloves.

Follow Malone Intermediate on Twitter: @maloneconnected

## MIDDLE SCHOOL NEWS

### Middle School Spirit Week Activities

During Winter Spirit Week in December Middle School students had fun dressing up by following various themes for each day. All grades participated in “Grow Your Heart 3 Sizes” activities based upon the national campaign set by *How The Grinch Stole Christmas* movie. Students played Grow Your Heart Bingo following the theme “How many good deeds can you do this Grinch-mas”. Deeds included actions like: ‘say something nice to someone’, ‘hold the door open for someone’, ‘clean your room’ and many more. Students that completed their bingo cards were entered into a drawing for prizes.

Also during the “Grow Your Heart 3 Sizes” campaign each class did outreach activities for the Prescott Community. The sixth grade made Christmas cards and delivered them to the nursing home. The seventh grade held a penny war and raised \$230.44 that was donated to the Leukemia and Lymphoma Society. The eighth grade also chose a variety of actions to benefit those in our community.

Bingo Winner

Sixth Grade Card Making

#### Mission:

Prescott Middle School exists to provide a well-rounded, rigorous education in a safe learning environment with social and emotional support to empower every student to be a productive member of their community.

#### Vision:

Learning today for a better tomorrow.

### The Grinch on Trial!

Mrs. Capps’ 6th grade Lit Circles class put the Grinch on trial in December after seeing his “wanted” posters all around the school. Judge Capps presented three pieces of evidence to the jurors to help them decide the verdict. After working through all evidence throughout the class period, the jurors came to the consensus that the Grinch was innocent! This was a fun activity to develop research, analysis, and debate skills.

Most Wanted

Court in Session

#### To follow WI Middle Border Sports Schedules:

1. Go to [www.prescott.k12.wi.us](http://www.prescott.k12.wi.us)
2. Click on “activities”
3. Make a selection from the menu

#### Parents Welcome

The Middle School Parent Group meets monthly and plans many great events to support Middle School students and staff. You can find out about current events and meetings on their Facebook Page: <https://www.facebook.com/PrescottMiddleSchoolParentGroup>

### STUDENTS OF THE MONTH:

The following middle school students were chosen as student of the month by their teachers. Students are selected based upon their performance and outstanding contributions to the middle school. Congratulations!

November

6th Grade -- Elle Nawrocki, Zach Yaeger

December

6th Grade -- Maddie Brown, Cadyn Peterson

7th Grade -- Tessa Schmidt

8th Grade -- Mikayla Anderson, Jakob Hegemann

### Middle School Spelling Bee

Students in 3rd - 8th grade that scored in the top ten for their grade were invited to take part in the Oral Round of the National Spelling Bee during the week of January 7th. The top students from the double elimination oral round from each school will compete for the title of “school champ” on February 13, 2019. Congratulations to these top students!

Back Row (L-R): Alayna Allsop, Cullen Huppert, and Daniel Bowgren

Front Row (L-R): Grace Ryan, Jack Kreager, Henry Rohl, and Ken Ryan

## HIGH SCHOOL HAPPENINGS

### School Store finds a place in the NEST

A brand new school store is coming to Prescott High School! Students in the Entrepreneurship Class have been hard at work painting the new store located to the right as you enter the front of the building. The store will be called "The Nest" and will be open to the community. Find them on Facebook to watch the progress.

A special thank you to the Prescott Foundation for a grant to purchase some of the items necessary for set up. We look forward to announcing a grand opening soon!

(photo credit: Facebook page)

### Mission Statement:

Prescott High School exists to provide students experiences in a community that promotes lifelong learners and develops productive members of society.

### Vision Statement:

Prescott High School develops successful future leaders.

### Values:

We commit to the following values in order to develop successful future leaders.

1. **Respect**
2. **Relationships**
3. **Responsibility**
4. **Rigor**
5. **Relevance**

### STUDENTS IN THE NEWS

Prescott students are busy learning, playing, competing, preparing.... Here are just a few of the amazing accomplishments that have made the news.

(photo credit: Facebook page)

**Haylee Yaeger** made her 1,000 career point in a basketball on December 20, 2018! The Cardinals maintain a strong lead position in the Middle Border Conference.

(photos submitted)

Three Prescott music students participated in the Wisconsin School Music Association (WSMA) Honors Band and Choir this fall at the Wisconsin State Music Educators Conference: **Hailee Winkler** performed in the band. **Madeline Johnson** and **Emily Magee** participated in the choir.

Prescott Senior, **Carson Stenroos**, recently learned that he received a National College Match Scholarship through QuestBridge for his top college choice, Davidson College in North Carolina. This full four-year college scholarship provides a loan-free opportunity to eligible recipients, including tuition, books, room, and board.

## WINTER FUN AT PRESCOTT HIGH SCHOOL

Congratulations to students in all of our winter activities! Be sure to cheer them on with #cardinalpride!

*(photo credit: Facebook pages... follow the teams)*

**Basketball – Boys and Girls:**  
Prescott Girls currently lead the conference!

**Wrestling**

**Pep Band:**  
Building Cardinal pride.

**Prescott Ice Fishing Team:**  
Reeling in awards!

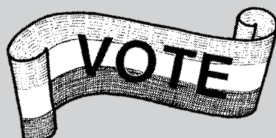

**Prescott Dance Team:**  
Dazzles

**And... GOOD LUCK  
to all the teams  
and clubs who are  
now gearing up for  
the spring season!**

## VOTE APRIL 2, 2019

Wisconsin Spring Elections will be held April 2, 2019. The Prescott School Board ballot includes two candidates for the two open seats.

General election information is available at:  
<https://elections.wi.gov/voters>

## National Geography Bee Oral Round

Students in 3rd - 8th grade that scored in the top ten for their grade were invited to take part in the Oral Round of the National Geography Bee during the week of January 2nd. The top ten students from the double elimination oral round from each school will compete for the title of "school champ" on February 6, 2019. Congratulations to these top students!
